To the outside world, Siena McMahon has a fairy-tale life. Born into a great Hollywood dynasty-granddaughter of movie legend Duke McMahon, daughter of billionaire producer Pete McMahon-she is blessed with beauty, brains, and wealth...a proverbial princess. Yet behind the wrought-iron gates of the sprawling McMahon mansion in Hancock Park, her life is far from idyllic. The McMahons are bound together not by love but by infighting and ambition. When a gold-digging English aristocrat, Caroline Berkeley, worms her way into their lives and their home, the family's potent mix of jealousy and wealth explodes. Packed off to school in England, Siena starts making plans to leave the moment she arrives. She is determined to become a Hollywood star in her own right-just as her grandfather had said she would be. And once back in L.A., the rejections, betrayals, and failures she'll face will only make her stronger and tougher than ever before. But at what price? In the utterly dysfunctional landscape of her life-among friends, lovers, and family-she must find the people who will help her survive, help her become the person she was meant to be, help her be truly Adored. Set in the most glamorous cities of the world-L.A., London, Paris, and New York-Tilly Bagshawe's debut novel is like the real-world Hollywood it mirrors: deliciously escapist, wickedly sexy, and always irresistibly compelling.

Editorial Review

From Publishers Weekly

With only one previous audiobook under her belt (*Bergdorf Blondes*, Hyperion Audio), Walger's sensational narration of Bagshawe's deliciously sinful novel proves she's a budding audio star. Walger (who appears on TV's *CSI: NY*) throws herself into this adaptation with giddy abandon and palpable enthusiasm. Narrating most of the book with her crisp, confident British accent, she effortless slips into American characters, giving each an individual cadence and personality. Bagshawe's decades-spanning Hollywood tale of glamour, greed, lust and revenge will remind listeners of the sweeping, high-caloric sagas by Jacqueline Susann or Lynda LaPlante. Like those two authors, Bagshawe excels at creating characters who are borderline unsympathetic but always compelling. While the big, juicy beach novel has been trimmed a bit, Jessica Kaye's excellent abridgment keeps the various story lines coherent while never slowing the pace below a gallop. Walger's remarkably adroit characterizations never let the multitude of characters become confusing. The only flaw in this production is that the musical cues sometimes play too loudly, threatening to drown out the narration rather than enhancing it.

Bagshawe set out to write a book that broke free from the chick-lit mold. She succeeded in producing an epic romance with ultraglamorous characters--no Bridget Jones here. The book opens with the story of philandering movie star Duke; his coolly detached wife, Minnie; and their decidedly untraditional home--Duke's mistress shares quarters with his true family. After Duke's death, Bagshawe follows the lives of his granddaughter, Siena, and his illegitimate son, Hunter. The two have reunited just as they're both becoming Hollywood stars. But when Hunter's best friend, Max, betrays Siena, their refashioned family is split once again. Siena then becomes involved with a hotshot producer until a violent incident leaves her forever changed. Although the lengthy novel could have done with some judicious editing, the Hollywood setting and the volatile relationships will keep readers enthralled. Recommend it to fans of Danielle Steele and Nora Roberts. *Aleksandra Kostovski*

Review

"A totally self-indulgent, escapist pleasure. I adored it!"

-- Sophie Kinsella

Users Review

From reader reviews:

Ismael Roop:

Within other case, little folks like to read book Adored. You can choose the best book if you appreciate reading a book. As long as we know about how is important a new book Adored. You can add expertise and of course you can around the world by a book. Absolutely right, mainly because from book you can learn everything! From your country until foreign or abroad you will find yourself known. About simple matter until wonderful thing you could know that. In this era, we could open a book or searching by internet product. It is called e-book. You should use it when you feel fed up to go to the library. Let's study.

Robert McKay:

This Adored book is not ordinary book, you have after that it the world is in your hands. The benefit you get by reading this book is definitely information inside this book incredible fresh, you will get information which is getting deeper you actually read a lot of information you will get. This kind of Adored without we understand teach the one who studying it become critical in thinking and analyzing. Don't end up being worry Adored can bring once you are and not make your carrier space or bookshelves' grow to be full because you can have it in your lovely laptop even telephone. This Adored having great arrangement in word as well as layout, so you will not sense uninterested in reading.

Susan Garrard:

Reading a book to become new life style in this yr; every people loves to examine a book. When you learn a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, due to the fact book has a lot of information into it. The information that you will get depend on what sorts of book that you have read. If you wish to get information about your analysis, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, these us novel, comics, in addition to soon. The Adored will give you a new experience in reading a book.

Robert Mangino:

As we know that book is essential thing to add our information for everything. By a publication we can know everything we really wish for. A book is a group of written, printed, illustrated or perhaps blank sheet. Every year has been exactly added. This book Adored was filled with regards to science. Spend your time to add your knowledge about your science competence. Some people has diverse feel when they reading a new book. If you know how big selling point of a book, you can experience enjoy to read a guide. In the modern era like right now, many ways to get book that you wanted.
