BIOS Instant Notes in Psychology By I.P. Christensen, Hugh Wagner, Sebastian Halliday

Instant Notes in Psychology contains the fundamental topics that are essential to the student. Each topic begins with a Key Notes panel containing concise summaries of the key points covered, which are expanded in the main text of the topic. Although each topic stands alone, it is the nature of the psychology that topics are interrelated. To help the student see these interrelationships the text provides numerous cross-references between topics.

Editorial Review

Review

'The diagrams have been thoughtfully designed to be easy for the student to reproduce ... The book has a real and valuable role to play in providing an overview of key topics before students turn to the more complete explanations provided by traditional textbooks.' - LTSN Psychology website
