### Harriet the Spy By Louise Fitzhugh

Harriet M. Welsch is a spy. In her notebook, she writes down everything she knows about everyone, even her classmates and her best friends. Then Harriet loses track of her notebook, and it ends up in the wrong hands. Before she can stop them, her friends have read the always truthful, sometimes awful things she's written about each of them. Will Harriet find a way to put her life and her friendships back together?

### Editorial Review

#### Amazon.com Review

Ages 8-12. Thirty-two years before it was made into a movie, *Harriet the Spy* was a groundbreaking book: its unflinchingly honest portrayal of childhood problems and emotions changed children's literature forever. Happily, it has neither dated nor become obsolete and remains one of the best children's novels ever written. The fascinating story is about an intensely curious and intelligent girl, who literally spies on people and writes about them in her secret notebook, trying to make sense of life's absurdities. When her classmates find her notebook and read her painfully blunt comments about them, Harriet finds herself a lonely outcast. Fitzhugh's writing is astonishingly vivid, real and engaging, and Harriet, by no means a typical, loveable heroine, is one of literature's most unforgettable characters. *School Library Journal* wrote, "a tour de force... bursts with life." The Bulletin of the Center for Children's Books called it "a very, very funny story." And *The Chicago Tribune* raved, "brilliantly written... a superb portrait of an extraordinary child."

#### Review

A New York Public Library's 100 Great Children's Books 100 Years selection

"This is the book that made me want to be a writer. [Harriet] was the first fictional female character I ever came across who privileged her own truth above the expectations put on her as a little girl." —**Anna Holmes** for Bookish.com

"I don't know of a better novel about the costs and rewards of being a truth teller, nor of any book that made more readers of my generation want to become fiction writers. I love the story of Harriet so much I feel as if I lived it." —**Jonathan Franzen**, author of *Freedom* and *The Corrections*

"*Harriet the Spy* bursts with life."—*School Library Journal*

"The characterizations are marvelously shrewd."—*The Bulletin*

#### From the Inside Flap

Harriet M. Welsch is a spy. In her notebook, she writes down everything she knows about everyone, even her classmates and her best friends. Then Harriet loses track of her notebook, and it ends up in the wrong hands.
