Hermenéutica entendiendo la Palabra de Dios (Coleccion Teologica Contemporanea: Estudios Ministeriales) (Spanish Edition) By J. Scott Duvall, J. Daniel Hays

SPANISH EDITION. Como leer la Biblia? Como interpretarla? Como aplicarla? Este libro salva las distancias entre los acercamientos hermeneuticos que son demasiado simples y los que son demasiado tecnicos. Empieza recogiendo los principios generals de interpretacion para, despues, aplicar esos mismos principios a los diferentes generos y contextos, a fin de que el lector pueda entender el texto biblico y aplicarlo a su propia situacion. Duval y Hays sugieren que los textos biblicos no significan lo que el lector quiere. Los autores biblicos tenian en mente un significado concreto, y Dios nos ha dado las herramientas necesarias para llegar a ese significativo. Este libro contiene ejercicios practicos que nos guian a traves del proceso de interpretacion tanto del Antiguo como del Nuevo Testamento, y hace un enfasis especial en la aplicacion de las ensenanzas biblicas a la vida real.
