Medical Language Plus NEW MyMedicalTerminologyLab with Pearson eText -- Access Card Package (3rd Edition) By Susan M. Turley MA BSN RN ART CMT

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

Now in its Third Edition, *Medical Language* has touched the lives of more people than any other medical terminology book. This intensely visual, powerfully relevant book is organized to promote exceptionally effective instruction and maximum student success. Fully updated to cover the field's newest terminology, this edition retains a deep focus on word building, and enhances teaching and learning in many ways -- including a state-of-the-art immersive online study experience. Its appealing, uncluttered design contains

hundreds of rich images and plenty of white space for easy reading and note taking. Student learning is promoted through an unsurpassed quantity and variety of exercises, more colorful, interesting, and large illustrations, and – as requested by most instructors – an intuitive organization around medical specialties. In addition to content updates throughout, this edition is complemented by a brand new set of Dynamic Lectures: comprehensive audio/visual learning experiences narrated by the author.

Editorial Review

About the Author

Susan M. Turley, MA (Educ), BSN, RN, RHIT, CMT, is an adjunct professor in the School of Health Professions, Wellness, and Physical Education at Anne Arundel Community College in Arnold, Maryland, where she teaches medical terminology and medical transcription courses. In the past, she was instrumental in gaining accreditation for the college's medical assisting program and has also taught courses in pharmacology, pathophysiology, and medical office procedures. She is also a medical editor and author for Health Professions Institute in Modesto, California, and a curriculum consultant for The Andrews School for Medical Transcription and Medical Coding in Oklahoma City, Oklahoma. As a healthcare professional, Susan has worked in a variety of healthcare settings over the past 30 years: acute care, long-term care, physicians' offices, and managed care. She has held positions as an intensive care nurse, plasmapheresis nurse, infection control officer, medical transcriptionist, medical grant writer, manager of the Medic Alert national difficult airway database, medical record coder, director of education, and director of quality management and corporate compliance. Susan is the author of the "Understanding Pharmacology for Health Professionals," (Prentice Hall) and of more than 40 articles published in medical transcription and health information management journals. She is a co-developer of The SUM Medical Transcription Training Program and reference books for Health Professions Institute. With a physician co-author, she has written two nationally funded grants and a chapter in a physician's anesthesiology textbook. She has been a guest speaker at national seminars for accreditation of utilization management programs, medical transcription teacher training, and health information management certification exam review. Susan holds a Master of Arts degree in adult education from Norwich University in Vermont, a Bachelor of Science degree in nursing from Pennsylvania State University, state licensure as an RN, as well as national certification in medical transcription from the American Association for Medical Transcription (AAMT) and national certification in health information management from the American Health Information Management Association (AHIMA).

Users Review
