Teach Me By Cassandra Dean

Ever curious, Elizabeth, Viscountess Rocksley, has turned her curiosity to erotic pleasure. Three years a widow, she boldly employs the madam of a brothel for guidance but never had she expected her education to be conducted by a coldly handsome peer of the realm.

??

To the Earl of Malvern, the erotic tutelage of a skittish widow is little more than sport, however, the woman he teaches is far from the mouse he expects. With her sly humor and insistent joy, Elizabeth obliterates all his expectations and he, unwillingly fascinated, can't prevent his fall.??

Each more intrigued than they are willing to admit, Elizabeth and Malvern embark upon a tutelage that will challenge them, change them, come to mean everything to them...until a heartbreakingly betrayal threatens to tear them apart forever.

“Be prepared to experience a wide range of emotions. I found myself laughing, crying, blushing and even yelling at times. This was my first Cassandra Dean novel and I look forward to reading hopefully many more in the future.”

~Romancing the Book~

Editorial Review

Review

I fell in love with this book from the first bewildering, smoldering scene, and was captivated until the last page [...] I loved this book from start to finish, and though this was my first Cassandra Dean book, I can guarantee you it won't be my last.

- Bridget, *The Romance Reviews*

With just a whisper, a caress, or a simple kiss, Ms. Dean takes the reader on an adventure full of hedonistic pleasure as well as bittersweet moments. [...] As the earl struggled with the emotional spiral that Elizabeth causes him every time they meet, I found myself crossing my fingers and hoping he would not damage the beautiful person that she is. When a novel has you feeling the way I did about the characters, you know it is a tale that will not disappoint and this one most certainly did not.

- Coffee Time Romance

From the Author

TEACH ME is the tale of a curious widow and a jaded nobleman - my favourite combination! It probably is a surprise to absolutely no one who has read **TEACH ME** that my most-adored fairy tale growing up was *Beauty and the Beast* (and this has not changed now I'm done growing). I hope you enjoy Elizabeth and Malvern's tale as much as I enjoyed writing it.

From reader reviews:

Vicki Shah:

Book will be written, printed, or created for everything. You can recognize everything you want by a book. Book has a different type. As we know that book is important point to bring us around the world. Close to that you can your reading proficiency was fluently. A e-book Teach Me will make you to be smarter. You can feel much more confidence if you can know about almost everything. But some of you think this open or reading a book make you bored. It is not make you fun. Why they are often thought like that? Have you seeking best book or ideal book with you?

Susan Rooks:

What do you ponder on book? It is just for students because they're still students or that for all people in the world, what the best subject for that? Only you can be answered for that problem above. Every person has different personality and hobby for each and every other. Don't to be obligated someone or something that they don't need do that. You must know how great in addition to important the book Teach Me. All type of book can you see on many solutions. You can look for the internet options or other social media.

Carolyn Fletcher:

Do you certainly one of people who can't read enjoyable if the sentence chained from the straightway, hold on guys that aren't like that. This Teach Me book is readable through you who hate the perfect word style. You will find the info here are arrange for enjoyable studying experience without leaving even decrease the knowledge that want to offer to you. The writer regarding Teach Me content conveys the idea easily to understand by a lot of people. The printed and e-book are not different in the content but it just different by means of it. So , do you even now thinking Teach Me is not loveable to be your top list reading book?

Brandon Jenkins:

Reading a reserve can be one of a lot of action that everyone in the world enjoys. Do you like reading book and so. There are a lot of reasons why people fantastic. First reading a e-book will give you a lot of new details. When you read a reserve you will get new information since book is one of a number of ways to share the information as well as their idea. Second, studying a book will make an individual more imaginative. When you reading a book especially fiction book the author will bring one to imagine the story how the people do it anything. Third, you are able to share your knowledge to other folks. When you read this Teach Me, you can tells your family, friends and also soon about yours e-book. Your knowledge can inspire the others, make them reading a guide.
