

## A World of Trouble (Merits of Mischief Book 2)

By T. R. Burns

### A World of Trouble (Merits of Mischief Book 2) By T. R. Burns

Sometimes you find trouble, and sometimes trouble finds you. The mischief continues in the second book of a trouble-loving middle grade series!

It's Seamus Hinkle's second semester at Kilter Academy, where he's quickly become an ace troublemaking student. In fact, the headmistress has even entrusted him with a special assignment—one he's forbidden to share with any of his friends.

But Seamus has also come up with his own mission, and it's a doozy. If Seamus and Lemon, Abe, and Gabby can pull off this cross-country adventure to rescue one of their own, they'll earn extra-credit demerits for sure. And they might just learn the truth about some huge secrets the adults around them have been keeping...

The second book in T.R. Burns's Merits of Mischief series boasts the same "irresistible appeal" (BCCB) of Book One, and is sure to leave you clamoring for the next installment.

### Editorial Review

#### From School Library Journal

Gr 4-7-After his first semester at Kilter Academy for Troubled Youth, 12-year-old Seamus Hinkle is reeling from the revelation that the teacher he supposedly killed is actually alive and well. No longer a murderer, Seamus is sure he won't have to go back to Kilter, yet his mother is more determined than ever that he return. Stranger still, she seems to know that the institution is not really a reform school, but rather a training facility for future Troublemakers. Seamus agrees to go back and rejoins his alliance of friends and his tutor. He continues to excel as a Troublemaker, and the academy's director gives him a special mission. But the boy's focus is quickly usurped by his concern for his missing classmate and crush, Elinor. Seamus is sure there is more to her absence than a vague "family emergency" and is determined to find her. A lot is going on in this sequel to *The Bad Apple* (S & S, 2012), and readers unfamiliar with that book will be lost. As with the first, Seamus's emails to Miss Parsippany, the teacher he thought he killed, reveal much about his thoughts and feelings. Decisions he makes about whom to trust and what kind of person he wants to be will impact the future of Kilter Academy. Supporting characters get a little more development by the end of this title, but readers expecting the myriad mysteries to be solved will be frustrated as most are left dangling for future books.-Amanda Raklovits, Champaign Public Library, IL ©(c) Copyright 2013. #### From [Booklist](#)

In the second book from the *Merits of Mischief* series, Seamus returns for his second semester at Kilter Academy, a pseudo-reform school that actually trains troublemakers and rewards them for mischief. Seamus and his team set a new standard when they sneak out one night, steal a helicopter, and rescue a former classmate from a rival school. Although the engaging first-person narrative and over-the-top adventures will keep fans involved, the many lurking mysteries (old and new) seem no closer to solution. Still, readers who enjoyed *The Bad Apple* (2012) will want to know what happens next. Grades 4-6. --Carolyn Phelan

#### About the Author

T. R. Burns sometimes writes as Tricia Rayburn. Or does Tricia Rayburn sometimes write as T. R. Burns? You may never know the answer to that, but you can know that the tattler of this tale has tattled others for tweens and teens. In the small New York town she calls home, it's the best way to keep idle hands busy—and out of trouble.
