Case Study Analysis & QCA (Statistical Associates "Blue Book" Series Book 1) By G. David Garson

An illustrated graduate-level introduction to case study research, including qualitative comparative analysis (QCA), also known as configurational analysis, and covering information metrics methodology.

NEW IN THE 2016 EDITION

Covers the revolution in case study research associated with qualitative comparative analysis using Boolean pattern matching and also the information metrics approach creating measures of information gain / uncertainty reduction for causal variables and patterns in case research.

Four times the length of the 2013 edition (now 164 pp.)

Traditional topics rewritten, updated, and expanded throughout.

Covers both crisp set and fuzzy set QCA

Covers fsQCA software with worked examples.

Covers information metrics / structured-focused comparison methods.

Unformatted table of contents:

Example datasets6

Overview6

Key Concepts and Terms7

Types of case studies7

Research designs for case study research9

The grounded exploratory design9

Counterfactual comparison design10

Experimental single case research design (SCRD)11

Cross-sectional comparison design11

Longitudinal comparison design12

Dynamic comparison design12

Case selection strategies13

Data collection16

Data collection methods16

Linear or iterative?18

"Thick description"18

Constant comparison22
Case quality control23
Pattern matching24
Overview24
Congruence testing25
Explanation-building25
Terminating data collection25
Process tracing27
Overview27
Controlled observation27
Time series analysis28
Critical incident technique (CIT)28
Meta-analysis29
Overview29
Implementation considerations31
Quantitative meta-analysis of cases33
Example: DOE (2010)35
Configurational (QCA) analysis37
Overview37
Types of QCA42
Coverage vs. consistency42
Dealing with inconsistency and contradictions46
QCA: Limits, criticisms, and assumptions47
fsQCA software49
Crisp set QCA50
Crisp set QCA example 150
Crisp set QCA example 267
Crisp set QCA example 388
Longitudinal pattern matching91
Research design considerations91
Fuzzy-set QCA96
Overview96
Fuzzy set QCA example 197
Fuzzy set QCA example 2109
Internal structural heterogeneity index (ISHI)110
Qualitative and Multi-Method Research periodical112
Information metrics / structured-focused comparison113
Data113
Overview113
Entropy, conditional entropy, and uncertainty114
Information metrics example115
Statistical packages for the uncertainty coefficient122
Information metrics complements QCA128
Assumptions of case studies methods131
Frequently Asked Questions131
What are common standards for case studies based dissertations?131
Is Institutional Review Board/Use of Human Subjects approval necessary for case study research?133
Is case study research a social science substitute for scientific

experimentation?133
Aren't case studies unscientific because of researcher bias?133
Aren't case studies unscientific because findings cannot be generalized?135
Is a "case history" the same as a "case study"?135
Are all case studies forms of case study research?135
Is a joint or team approach to case study research preferred over single-investigator research?136
What is a "consortium benchmarking" case study?136
How is case study research related to complexity science?137
What is nVivo?137
What is xSight?138
What is Leximancer?138
What type of sampling is required in QCA?138
How many predictor variables can QCA handle?139
How does calibration work in fsQCA?140
What are "remainders" in QCA?143
How does the QCA algorithm simplify the truth table?144
How is QCA related to cluster analysis?146
How are hierarchical data handled in QCA?147
What support exists for QCA?148
What QCA software is available?149

Editorial Review

Users Review

From reader reviews:

Anthony Pippin:

Now a day people that Living in the era where everything reachable by match the internet and the resources within it can be true or not need people to be aware of each information they get. How many people to be smart in getting any information nowadays? Of course the solution is reading a book. Examining a book can help individuals out of this uncertainty Information particularly this Case Study Analysis & QCA (Statistical Associates "Blue Book" Series Book 1) book since this book offers you rich data and knowledge. Of course the details in this book hundred per cent guarantees there is no doubt in it you may already know.

Alan Torrez:

The experience that you get from Case Study Analysis & QCA (Statistical Associates "Blue Book" Series Book 1) could be the more deep you excavating the information that hide into the words the more you get enthusiastic about reading it. It doesn't mean that this book is hard to know but Case Study Analysis & QCA (Statistical Associates "Blue Book" Series Book 1) giving you excitement feeling of reading. The article writer conveys their point in selected way that can be understood simply by anyone who read that because the author of this guide is well-known enough. This specific book also makes your own personal vocabulary increase well. It is therefore easy to understand then can go along, both in printed or e-book style are available. We recommend you for having this Case Study Analysis & QCA (Statistical Associates "Blue Book" Series Book 1) instantly.

Marla Brinker:

Reading can called mind hangout, why? Because when you find yourself reading a book specially book entitled Case Study Analysis & QCA (Statistical Associates "Blue Book" Series Book 1) your thoughts will drift away trough every dimension, wandering in each and every aspect that maybe unfamiliar for but surely can be your mind friends. Imaging just about every word written in a e-book then become one contact form conclusion and explanation this maybe you never get ahead of. The Case Study Analysis & QCA (Statistical Associates "Blue Book" Series Book 1) giving you yet another experience more than blown away your head but also giving you useful data for your better life on this era. So now let us demonstrate the relaxing pattern is your body and mind will probably be pleased when you are finished reading through it, like winning a game. Do you want to try this extraordinary paying spare time activity?

Anne Braden:

Reserve is one of source of understanding. We can add our understanding from it. Not only for students but native or citizen have to have book to know the change information of year to year. As we know those guides have many advantages. Beside most of us add our knowledge, may also bring us to around the world. By book Case Study Analysis & QCA (Statistical Associates "Blue Book" Series Book 1) we can take more advantage. Don't that you be creative people? To become creative person must prefer to read a book. Simply choose the best book that ideal with your aim. Don't possibly be doubt to change your life with this book Case Study Analysis & QCA (Statistical Associates "Blue Book" Series Book 1). You can more pleasing than now.
