Family Album By Danielle Steel

Through forty years—from Hollywood's golden days in World War II to the present—Faye Price would create first a career as a legendary actress, then a family, and finally she would realize her dream of becoming one of Hollywood's first woman directors. But nothing was more precious to Faye than her five children. In a changing world, a milieu where family values are constantly challenged from without and within, the Thayers would face the greatest challenges and harshest test a family can endure, to emerge stronger, bound forever by loyalty and love. It is only when Faye is gone that they can each assess how far they have come, and how important their family album is.

Editorial Review

Review

From the New York Times: 'Ms Steel is undeniably an expert' 'It's safe to say Ms Steel's fans won't be disappointed' 'Make a pot of tea, curl up under a favourite quilt - and keep a box of tissues close at hand'

From the Publisher

Through forty years -- from Hollywood's golden days in World War II to the present -- Faye Price would create first a career as a legendary actress, then a family, and finally she would realize her dream of becoming one of Hollywood's first woman directors. But nothing was more precious to Faye than her five children. In a changing world, a milieu where family values are constantly challenged from without and within, the Thayers would face the greatest challenges and harshest test a family can endure, to emerge stronger, bound forever by loyalty and love.
