Matamoros, el resplandor en la batalla (Spanish Edition) By Silvia Molina

Mariano Matamoros was a serene priest when he rushed to the Independence war, but in no time he ended up being not only the right arm of José María Morelos y Pavón, but also the second most important man of the Insurgent Army. After Morelos, he was the commanding officer of the armies of the provinces of Tecpan, Oaxaca, Mexico, Puebla, Veracruz and Tlaxcala, with the expressed mandate to assume the place of the Generalísimo in the event of his absence. And it was not only because he knew how to write with neatness and elegance, which was not the case of Hermenegildo Galeana, who could have been the second because of his courage, but because Matamoros was a great strategist, a born soldier and a virtuous man. This novel -the first one ever written about Mariano Matamoros- discloses the passions and contradictions, the religious vocation and the earthly flares of a man that was, at all times, a glare in the battles of the Insurgent Army due to his behavior, organization and firm hand to punish those who stole from the enemy or burglarized his properties, and exposes his life principles and his actions of death and destruction, as well as a revealing trial that could not degrade him out of his condition as a priest. With this work. Mariano Matamoros era un cura sereno cuando se lanzó a la guerra de independencia, pero llegó a ser en poco tiempo no sólo el brazo derecho de José María Morelos y Pavón, sino el segundo hombre importante del Ejército Insurgente. Después de Morelos, estaba él como comandante en jefe de los ejércitos de las provincias de Tecpan, Oaxaca, México, Puebla, Veracruz y Tlaxcala, con el mandato expreso de que en caso de faltar el Generalísimo, don Mariano tomara su lugar. Y no fue sólo porque sabía escribir con pulcritud y elegancia, a diferencia de don Hermenegildo Galeana, quien pudo haber sido el segundo por su arrojo, sino porque era un gran estratega, un militar nato y un hombre virtuoso.
