**Pandora's Daughter** By Iris Johansen

For as long as she can remember, successful young physician Megan Blair has tried to silence the voices in her head?voices that bring her to the edge of madness and terror. Megan possesses psychic powers that have been dormant for years, hidden deep in the past she's tried so desperately to forget. But now everything has come to a boiling point?someone is trying to kill her, and others are trying to use her, including the deadly and seductive Neal Grady. Shocking secrets about her life and her mother's death bombard her as she fights to take control of her heritage and save herself and everything she believes in. Grady holds the key to understanding her future, a future in which Megan's life will never be the same.

If she survives to have a future.

*Pandora's Daughter* is a gripping suspense novel from bestselling author Iris Johansen.

### Editorial Review

#### From Publishers Weekly

Orphaned at 15 and raised by her Uncle Phillip, the adult Megan Blair is an Atlanta pediatrician who hears terrified voices. Revelation comes when childhood friend Neal Grady, who is now a shadowy government agent, arrives to apprise Megan of her psychic powers. And to warn her: Molino—the relentless villain who killed Megan's mother, believing her touch killed his son—is targeting Megan next. Molino thinks Megan was born to an ancient Sephardic family of psychics, and plans to force her to reveal the location of the Ledger, a book that contains the family's secrets and finances. He then plans to kill her, if Megan, Neal and Neal's sidekick, Jed Hartley, don't find him first. Johansen increases the tension by alternating point of view, but two-dimensional characters, repetitious explanations and stilted dialogue make staying tuned difficult. (Oct.) #### From Booklist

Dr. Megan Blair has been living a lie. She heard voices up until her mother died in an accident. Raised by her mother's half-brother, Megan managed to live a normal life, became a doctor, and now works in an Atlanta hospital. But once her car is run off the road and Neal Grady enters the picture, nothing is the same. Neal helps her realize that her mother's death was no accident. In fact, she was murdered because of her psychic ability, the very talent Megan inherited. Molino, an underworld kingpin, wants to see Megan, and everyone else he calls "freaks," dead because he blames her mother for his son's death. Supposedly Megan's mother's mere touch caused Molino's son to kill himself. She may have possessed the rare gift, just like the mythological Pandora, that magnifies a person's psychic ability, power that can either open someone's mind or cause madness. The hunt for Molino takes Megan and Neal through Europe in search of a ledger that traces a family of powerful psychics from the time of the inquisition to the present, keeping one step ahead of their enemy while trying to destroy him. Johansen delivers an exhilarating thriller filled with her trademark paranormal elements, truly heinous villains, and intriguing, multidimensional heroes. This is romantic suspense that will keep the author's fans on the edge of their seats. Engelmann, Patty

#### Review

"An exhilarating thriller...Romantic suspense that will keep readers on the edge of their seats." *?Booklist*

"Chilling and explosive...downright excellent reading." *?Romantic Times BOOKreviews* (4 1/2 stars)
