### Phantom Warriors: The Dark King (Volume 7) By Jordan Summers

Taylor Shelley has always had the worst taste in men. When her latest ex turns out to be part of the Russian mob, she's offered the chance to start a new life...on another planet. No more bad boys for her. Hades, The Dark King is both feared and rejected due to his mixed Atlantean/Phantom heritage. As King of the Phantoms, he rules his land via blood and claw. Hades doesn't have time to watch over a human female, even one as enticing as Taylor, but a debt is a debt. If keeping an eye on the woman for a week will clear the slates, then he'll do it. Taylor isn't sure how a cage-fighting half-breed ended up on the throne, but she wants nothing to do with this royal bad boy. What starts as an obligation, ends in a game of seduction where the players are evenly matched. There's only one rule to remember when playing with the Dark King—the house ALWAYS wins.
