Principles of Corporate Social Responsibility: A guide for students and practicing managers in developing and emerging countries is designed to meet the urgent need for a comprehensive and definitive introduction and teaching text for Corporate Social Responsibility [CSR]. With the aim to become the standard textbook to teach a complete course unit at undergraduate or postgraduate levels, this is a book that can be used by practicing managers to understand the practice of CSR, equipping them with knowledge and skills of how to integrate CSR into business strategy and operations. Edited by a multidisciplinary team of four experts, David Katamba, Dr. Christoph Zipfel, David Haag and Dr. Charles Tushabomwe-Kazooba, along with other contributors, the book stresses the linkage of CSR and modern business management.
