Spirituality and End of Life Care: A handbook for service users, carers and staff wishing to bring a spiritual dimension to mental health services By Peter Gilbert

Edited by an expert in spirituality; contributions from multidisciplinary staff and carers; multi-faith and non-denominational; thought-provoking and reflective; informs better practice. This moving and insightful handbook collects wisdom and experience from experienced practitioners and those who have lost a loved one on the role of spirituality in end of life care. It addresses the place of spirituality in our modern society and the challenge of life and death, best practice in end of life care, belief systems, how spirituality can play a part in care workers roles, as well as creative interventions and leadership challenges.

Editorial Review

About the Author

Peter Gilbert is emeritus professor of social work and spirituality at Staffordshire University, and visiting professor with the University of Worcester. Peter was the NIMHE project lead on spirituality from its inception to 2008, and now works with the National Spirituality and Mental Health Forum. Having experienced an episode of depression himself, Peter is very committed to a holistic and person-centred approach, and the integration of personal experience.

Users Review

From reader reviews:

Tonya Deschamps:

What do you consider book? It is just for students because they are still students or this for all people in the world, the particular best subject for that? Just you can be answered for that issue above. Every person has several personality and hobby for each and every other. Don't to be obligated someone or something that they don't desire do that.
