Editorial Review

Review

Perhaps the most important book in western civilization, The Bible is well worth studying. The KJV Study Bible is a study guide for the most famous English translation of the Bible, The King James Version. Discussing the history of the version's creation, with plenty of notes to explain the cultural gap that has formed throughout the centuries, and encouraging readers to do their own study, The KJV Study Bible is a strong pick for any student of Christianity who wants more comprehensive understanding of the Holy Bible. --Midwest Book Review, 2/13/2011
