Editorial Review

Amazon.com Review

The Secret Language of Relationships adopts the format of its bestselling predecessor, *The Secret Language of Birthdays*, and the compendious collection of combinations that follows proves the book's assertion that "A relationship is a rather mysterious and amazing third entity, one that can come to lead an existence independent of the will or desire of its two partners.... in certain cases a relationship can prove far stronger than either individual, leading us to believe that a certain kind of synergy is at work."

Well-organized, packed with fascinating "personality" information, and replete with snapshots (on every page) of famous couples--whether colleagues, spouses, or lovers--*The Secret Language of Relationships* is also simple to use. A glance at the two-page chart at the beginning of the book determines your birthday "period." Next, find the period of the person who interests you--friend, parent, child, lover, or mate. The ensuing relationship dynamics are named colorfully and aptly: "Peas in a Pod," "Uncommon Intimacy," "Flexible Structures," "Few Dull Moments," and "Few Antipathies."

Describing 1,176 possibilities, *The Secret Language of Relationships* sheds light on the classic questions--the hows and whys of chemistry in relationships. Is there a prime ingredient for love at first sight, a Fred Astaire and Ginger Rogers of it all? An entertaining exploration of the very thing we cannot do without--each other--this wonderful volume explains why we feel the way we do about the people in our lives, and how--if necessary--to make it better.

About the Author

Gary Goldschneider is an astrologer, composer, and musician.

Joost Elffers is the packaging genius behind Viking Studio's **Secret Language** series, **Play with Your Food**, and **How Are You Peeling?**. He lives in New York City.

Users Review
