Wake Up, Sir!: A Novel By Jonathan Ames

From the creator of the HBO series *Bored to Death*, the story of a young alcoholic writer and his personal valet, a hilarious homage to the Bertie and Jeeves novels of P.G. Wodehouse.

Alan Blair, the hero of *Wake Up, Sir!*, is a young, loony writer with numerous problems of the mental, emotional, sexual, spiritual, and physical variety. He's very good at problems. But luckily for Alan, he has a personal valet named Jeeves, who does his best to sort things out for his troubled master. And Alan does find trouble wherever he goes. He embarks on a perilous and bizarre road journey, his destination being an artists colony in Saratoga Springs. There Alan encounters a gorgeous femme fatale who is in possession of the most spectacular nose in the history of noses. Such a nose can only lead to a wild disaster for someone like Alan, and Jeeves tries to help him, but...well, read the book and find out!

Editorial Review

From Publishers Weekly

Ames's (*My Less Than Secret Life*) latest over-the-top offering concerns a week in the life of Alan Blair, a 30-something novelist and booze hound coasting along thanks to a fall on the ice that netted him a hefty lawsuit payout. Said quarter-million means that Alan can avoid employment and hire a valet named Jeeves, who inhabits the spare bedroom in the modest Montclair, N.J., home of Alan's uncle and aunt ("the old flesh and blood"). After Alan refuses to go back to rehab, Aunt Florence and Uncle Irwin have no choice but to oust him, so Alan and Jeeves hit the road, heading for an artists' colony in Saratoga Springs where "careworn" Alan might finish his second novel, a roman à clef based on an elderly playwright he'd roomed with in Manhattan years ago. Varied ruminations on human sexuality (mostly Alan's obsession with homosexuality) and the nature of men's room wall graffiti follow. One night, looking for a good time, a very drunk Alan calls a number scribbled in a gas station phone book and gets mightily punished for it, but he arrives at the Rose Colony in one piece. Surrounded by the nutty residents at the picturesque retreat ("It's glorious, Jeeves," I said. 'Like Brideshead' ") Alan tries to write, but excessive drinking and passionate lovemaking to sculptor Ava steals his time away. An accusation of theft and a bout with pubic lice complicate matters, but good-natured Jeeves escapes unscathed with his reliable retort: "Very good, sir." Ames's tale zips along, brimming with comedy and wild details, proving him to be a winning storyteller and a consummate, albeit exceedingly eccentric, entertainer.

From [The New Yorker](#)

Alan Blair is a ne'er-do-well New Jerseyite who has failed to follow his first novel, "I Pity I," published seven years ago, with a second. At thirty, he's alcoholic, afraid of confronting the bellicose uncle with whom he lives, and would be penniless but for an accident settlement. His most treasured possessions are a collection of dubious sports coats and a valet, who just happens to be named Jeeves. As you'd expect, Jeeves is circumspect, judicious, and ready at hand; what he may not be is real. Ames's inventive romp follows its hero into very un-Wodehousian territory—an artists' colony in upstate New York (based, in withering detail, on Yaddo), where the action revolves around art, sex, and larceny. But Jeeves remains faithful throughout; no amount of bad behavior can wring from him a sterner rejoinder than "Very strange, sir."

Review

Colson Whitehead author of *John Henry Days* A hilarious journey into one man's labyrinthine neuroses, with day trips to compulsion and delusion. The perfect gift for anyone who has ever imagined having a manservant.
