Editorial Review

From Publishers Weekly

Of this follow-up to *Sideways Stories from Wayside School* , PW noted that the "30 tongue-in-cheek stories . . . are sure to appeal to the slightly caustic humor that is typical of middle readers." Ages 8-12.
Copyright 1990 Reed Business Information, Inc.

From School Library Journal

Grade 3-6-- *Wayside School* is 30 stories high with only one room on each floor. On the top floor is Mrs. Jewls' class, where order has been abandoned in favor of nonsense and silliness. Each of the 30 stories in this collection features an unusual vignette or character sketch. The stories are only loosely tied together, and many have a shaggy dog quality. While adult readers may be left quizzical, children who relish the ridiculous will enjoy themselves tremendously. With bad puns, extended jokes, and an irreverent attitude, Sachar keeps his readers amused. This is a sequel to *Sideways Stories from Wayside School* (Scholastic, 1988). --Anne Connor, Los Angeles Public Library
