### Editorial Review

From Publishers Weekly

Affectionately portrayed, Eleanor Roosevelt outwits Nazis and other nefarious villains in her late son's 15th mystery to star his mother, one of many reported left unpublished at his death in 1990. In September 1940, Eleanor is sent to the Bahamas, accompanied by intelligence agents impersonating her staff, to protect U.S. interests against the pro-German leanings of the new governor, the Duke of Windsor and his wife, Wallis Simpson. Eleanor deftly avoids curtsying to the duke and duchess, instead giving each a democratic smile and a handshake and finessing the duke's wish that his wife be addressed as royalty. Life in Nassau resembles the last days of French royal court with a continuous round of parties occurring against a backdrop of dire poverty. During one lavish gathering on board a luxurious steam yacht, the owner, a pro-German Swedish industrialist, is thrown overboard to drown; in his pocket is found a platinum pin bearing the insignia of the Prince of Wales. Eleanor gets to ride a bike; Errol Flynn and one of his teenage floozies sail in on the yacht of isolationist GM chairman, Alfred P. Sloan; and a fatal explosion and a gunfight occur before the First Lady neatly wraps up the case.

From Library Journal

In Solomita's latest thriller (following "another excellent thriller," *A Good Day To Die*, LJ 10/15/93), a retarded homeless man is framed for murder, and the woman who discovered the victim joins with the man's lawyer to find the real killer.

Eleanor Roosevelt returns in another new adventure. This time around, FDR sends the indefatigable First Lady to the Bahamas, where she simultaneously manages to accomplish a delicate diplomatic mission and quash a flourishing espionage ring. While trying to discourage the recently exiled Duke and Duchess of Windsor from touring the U.S. in order to broadcast their decidedly pro-German point of view, Mrs. Roosevelt becomes involved in a baffling murder case. During the course of her investigation, she exposes an insidious nest of Nazi spies, who have successfully infiltrated both the Bahamian government and the business community. A pleasantly entertaining blend of history and mystery. *Margaret Flanagan*

### Users Review

**From reader reviews:**

**Nancy Figaro:**

Book is to be different for every single grade. Book for children right up until adult are different content. As you may know that book is very important for us. The book *A Royal Murder* has been making you to know about other know-how and of course you can take more information. It doesn't matter what advantages for you.
