## Dead: Revelations By TW Brown

The *DEAD* saga continues...

The zombies have risen, the world has spiraled into chaos. Small pockets of survivors continue to struggle each day to survive. The best and worst of humanity fight the undead and themselves as they come to grips with a new, violent reality.

See the world through Steve's eyes as he tries to balance the duties of leading a band of survivors while caring for a young, Hispanic orphan girl. Ride along with a band of self-professed "zombie-geeks" who are discovering that living through the apocalypse is vastly different than watching it on television. Peek in at horrifying snapshots of men and women...good and bad. This is--

About the Author

Welcome to MY world...

A few minutes with author TW Brown.

Tucked away in the Pacific Northwest with my wife Denise, a Border Collie named Aoife, a guitar collection, and an increasing number of aquariums sporting a variety of fish (cichlids are my new favorites), I live for football season when I can cheer on the Oregon Ducks and be disappointed by my Seattle Seahawks once again. I am a fan of Cookie Monster, KISS, and Dr. Who (along with most things British).

You can follow him on twitter @maydecpub and on Facebook under Todd Brown, Author TW Brown, and also under May December Publications.

TW Brown is the author of the ***Zomblog*** series, his horror comedy romp, ***That Ghoul Ava***, and, of course...the ***DEAD*** series. Safely tucked away in the beautiful Pacific Northwest, he moves away from his desk only at the urging of his Border Collie, Aoife. (Pronounced Eye-fa)

He plays a little guitar on the side...just for fun...and makes up any excuse to either go trail hiking or strolling along his favorite place...Cannon Beach. He answers all his emails sent to [twbrown.maydecpub@gmail.com](mailto:twbrown.maydecpub@gmail.com) and tries to thank everybody personally when they take the time to leave a review of one of his works.
