### **The Continuous Atonement** By Brad Wilcox

I'll never do it again, we say and then we do it. Most of us realize that perfection is a longterm process, but when we find ourselves making some of the same mistakes over and over again, it's easy to lose hope. However, Brad Wilcox points out that the Lord's Atonement will be available as long as the perfecting process takes. Even if we mess it up again week after week, he helps us start over. Filled with personal stories and parables, this book presents sublime truths about the Atonement in fresh, simple ways that will have you saying, I've never thought of it like that before. As the author urges, If at first you don't succeed even if at second or third or fourth you don't succeed, don't find excuses. Find the Savior and the blessings of His continuous Atonement.
