Editorial Review

From the Author

Comanche Flame is the first story that I ever wrote. I never intended for anyone else to read it. I wrote it just for me, because I was bored. The book quickly consumed my every waking moment. I lived it day and night. Had a friend of mine not encouraged me to look for a publisher, Dancer's story would never have seen the light of day.

Another Baker triumph! Powerful, passionate, and action packed, it will keep readers on the edge of their seats.
