**Communicating in Groups: Applications and Skills (Communication)** By Katherine Adams, Gloria Galanes

In its ninth edition, *Communicating in Groups* provides a fresh look at modern group communication while retaining the foundational information about research and theory that has made the text so popular. Helpful tables and images, as well as boxes showcasing ethical dilemmas, “Apply Now” situations, and current issues related to media and technology complement the information. Along with the authors’ conversational style, these features make the text accessible and relatable for students, who will come away with a deep understanding of small group communication and the positive impact they can make through effective interactions.

Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:

- SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.
- Access to your instructor’s homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.
- Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.
- The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping.
