Finding the Way: Restarting Your Journey with Jesus By Bruce McNab

Life is a complex journey, and each of us must find our own way. But sometimes we take a wrong turn and get lost. When that happens we have to backtrack and begin again. We are living in a time when many young adults who dropped out of church in high school or college are seeking to reconnect with their faith, while older Christians are feeling a need to turn their own lives around. Finding the Way offers help for all Christians who are hungry for an intimate relationship with God and want to restart their spiritual journey on a path they can see clearly, explain simply, follow faithfully, and share with others. This is a book for those who want to practice Christian faith as a way of life, not merely accept it as a system of doctrine. We are not lost in a trackless, twenty-first-century spiritual wasteland. There is a Way that can lead us home to God. We have companions on the journey, and the Good Shepherd himself will guide us. Finding the Way calls us to brave the steep, upward journey with Jesus-to rededicate ourselves boldly to the imitation of Christ.

Editorial Review

Review

"In his own ministry, Bruce McNab has a passion for inviting and reaching young adults in the name of Christ. In *Finding the Way*, Bruce helps the church find its way back to a generation we have all too often ignored. More importantly, he offers a direct, straightforward, helpful way for all of us to find . . . a vibrant relationship with Christ and Christ's people, the church. Whether used for individual spiritual growth, or for a group seeking the Way together, this book is a wonderful, wise gift to all of us."

--William H. Willimon, Professor of Christian Ministry, Duke Divinity School

"The monks who influenced me most many years ago summed up the Way as a response to Come home! All is forgiven. Bruce McNab shows us the Way. This book is accessible, generous, and timely, grounded in the tradition and filtered through a lifetime of experience. A wonderful way to get back on track."

--Alan W. Jones, Dean Emeritus, Grace Cathedral

"Bruce McNab knows following Jesus is a costly, yet exciting, adventure. And fortunately for us, he has a way of talking about it that is both an engaging description of Christian faith and practice and a winsome invitation to the reader to take the trip. *Finding the Way*, like some other adventure stories, is a real page-turner. Raise your expectations about what God-talk is all about."

--Bishop William C. Frey, author of *The Dance of Hope*

"A stunning achievement! With generous authenticity, McNab outlines a way for following Jesus that can be adopted by those predictably disenchanted with many aspects of organized religion. This is a book for people who have come to question the certitudes of Christian doctrine but who miss the spiritual connection to God that authentic faith can bring."

--Mark Allan Powell, Professor of New Testament, Trinity Lutheran Seminary --Wipf and Stock Publishers
