### Editorial Review

#### Review

'Presents the primarily European examples of completed housing on their own terms, within the framework of a+t's consistent and high-quality graphic design and drawing standards', John Hill, *A Weekly Dose of Architecture*

'Besides the inclusion of the construction cost for every project, this new volume of the series Density by a+t architecture publishers stands out with the addition of construction details within our analysis and comparisons', Daniel Carrapa, *A Barriga de Um Arquitecto*

'The book brings together a selection of built projects which materialize uncommon associations of components and design solutions in order to achieve the best possible results, making innovation and creativity once again the key factors in the current architectural discourse', *ArcHeb*

'HoCo se caracteriza por incluir los sistemas constructivos en estudio y comparación, además de los costes de cada proyecto', *Detail España*
