### **Murder in Memphis: The FBI and the Assassination of Martin Luther King**

By Mark Lane, Dick Gregory

Bestselling author Mark Lane, the first to question the investigation into the murder of President John F. Kennedy, and activist and author Dick Gregory combine their unique perspectives in a look at the assassination of Martin Luther King. James Earl Ray's guilty plea allowed the government to sidestep a trial, and yet his hearing, conducted without any challenge by a defense attorney, raised many questions. In *Murder in Memphis*, Lane and Gregory examine these questions and more: Dr. King's police protection was removed on the day of the assassination. Why? And by whom? Why was the same FBI squad that J. Edgar Hoover directed to destroy Dr. King responsible for the investigation into the murder? How and why was the most reliable witness prevented from testifying in court? Through exclusive documents and interviews with former FBI agents, security guards, eyewitnesses and James Earl Ray himself, Lane and Gregory present the case to the American people, so they can decide for themselves.

### **Editorial Review**

#### **About the Author**

Mark Lane is an author, lawyer and activist. His was the first voice to publicly question the top secret investigation into the assassination of President John F. Kennedy, and his bestselling book, Rush to Judgment, was one of the first to question the Warren Commission's conclusion that Lee Harvey Oswald was the lone assassin. A Citizen's Dissent recounts the vast efforts of our government and the establishment media to suppress his investigation into the assassination of JFK and to silence and destroy him for his work. His later works on the JFK assassination detailed the involvement of the CIA through an actual trial in which Lane cross-examined multiple agents [Plausible Denial] and the role played by the CIA and Secret Service [Last Word]. He crossed the country speaking at countless colleges and other institutions about the murder of the president sparking the creation of the House Select Committee on Assassinations, which looked into the assassinations of Kennedy and Dr. Martin Luther King, Jr. A Freedom Rider while he served in the New York Legislature in 1961, he has defended the rights of the voiceless from his beginnings in East Harlem to Wounded Knee, where he successfully defended the leaders of the American Indian Movement. He freed James Joseph Richardson, a black man framed in rural Florida for the murder of his own seven children, from prison after serving over 20 years, many of them on death row [Arcadia]. He is a survivor of Jonestown [The Strongest Poison] and was a leader of the anti-war movement during the Viet Nam era [Chicago Eyewitness; Conversations with Americans], Lane's autobiography, Citizen Lane, was published in 2012.
