### **Editorial Review**

#### **Review**

The QuickBooks Consultant's Reference Guide is the most comprehensive guide out there, and an invaluable resource to QuickBooks consultants, tax professionals, bookkeepers, and IT consultants. Everyone who works with QuickBooks should have it in their reference materials. --Michelle L. Long, CPA, MBA, Principal, Long for Success, LLC

#### **About the Author**

Doug Sleeter is the Founder of The Sleeter Group. His in-depth knowledge of QuickBooks and his systems approach to solving small business accounting problems has earned him the reputation of being one of the nation's leading QuickBooks and small business accounting software experts. He has been named one to Top 100 Most Influential People in Accounting by Accounting Today magazine. Doug was a pioneer in developing the first QuickBooks seminars in the country and was selected to develop early Intuit training materials. He has consulted with Intuit on the development of the QuickBooks product line and he also consults with several other software and hardware developers on product design, marketing, and distribution strategies. Doug provides expert level support and consulting to hundreds of QuickBooks consultants through the Sleeter Group's Certified Consultant's Network, a group of highly trained QuickBooks experts. He is the host of the Sleeter Group's annual Accounting Solutions Conference, bringing together consultants and software developers from across the US and Canada. Doug is the author of over 40 QuickBooks reference books and courseware materials and writes a regular column, The QuickBooks Advisor for The CPA Technology Advisor magazine.

### **Users Review**

#### **From reader reviews:**
