## **Rebels: My Life Behind Enemy Lines with Warlords, Fanatics and Not-so-Friendly Fire** By Aris Roussinos

A 21st century take on Dispatches, award-winning VICE News journalist Aris Roussinos tells the real stories behind life in a rebel army. The hidden truth about war is how much fun it is. That's because however they begin, whatever their aims, wars are fought by young men. Some fight because they have an unshakable belief in the cause, others fight because war is all they have ever known. And there are those who fight because there's nothing better to do. They fight in burned-out buildings and shelter under thorn trees. They eat their meager rations, and starve for days cut off from supply lines. They smoke 40 cigarettes a day and ride to war stoned, listening to Craig David. These are the men, and boys, who fight these wars. Their senses are sharper; they shudder every time they hear a plane pass overhead: they know it's not a videogame anymore. The bombs and bullets are terrifyingly real, and the guys they're killing aren't always faceless enemies: sometimes they're friends. For the last three years, award-winning journalist Aris Roussinos embedded himself with rebel groups in the Libyan uprising, the brutal conflict in the South Sudan, and the civil war in Syria, among others. Part travelogue from the world's most dangerous hotspots, part eyewitness testimony to recent, bloody history, this is the uncensored, unflinching account of the rebel armies and those who fill their ranks.

### Editorial Review

#### Review

"Gripping ... It's got a youthful honesty and a lack of pomposity ... entirely and mercifully free of the self-regarding moralising tosh that some hacks trot out ... he's got a fine news sense ... there's a talent here." Evening Standard "A gritty, fast-paced account of the (sometimes tragic) determination and idealism of young men." New Statesman "His experiences are immersive and his account is uncensored and unflinching ... Rebels provides an alternative insight and analysis of the rebel uprising, documenting its journey from hope to hopelessness in an accessible and human way while shedding light on the motives of a young war journalist." Big Issue in the North

#### About the Author

**Aris Roussinos** is an award-winning journalist who works for VICE. He has covered the Tunisian and Bahraini revolutions, the Japanese tsunami and nuclear crisis, the Libyan war, Greek riots, the coup in Egypt, the conflict in Syria, and the wars in South Kordofan and Blue Nile, Sudan. In 2013, he received the Rory Peck Award for News for his documentary about the war in Mali.

### Users Review

#### From reader reviews:

##### **Christa Nisbet:**

Have you spare time for a day? What do you do when you have a lot more or little spare time? Sure, you can choose the suitable activity to get spend your time. Any person spent their very own spare time to take a wander, shopping, or went to typically the Mall. How about open or perhaps read a book titled Rebels: My Life Behind Enemy Lines with Warlords, Fanatics and Not-so-Friendly Fire? Maybe it is being best activity for you. You understand beside you can spend your time with your favorite's book, you can better than before. Do you agree with it has the opinion or you have various other opinion?

##### **Douglas Dossett:**

What do you consider book? It is just for students since they are still students or the idea for all people in the world, what the best subject for that? Only you can be answered for that concern above. Every person has different personality and hobby for each other. Don't to be pushed someone or something that they don't desire do that. You must know how great along with important the book Rebels: My Life Behind Enemy Lines with Warlords, Fanatics and Not-so-Friendly Fire. All type of book are you able to see on many resources. You can look for the internet options or other social media.

##### **James Smith:**

As we know that book is vital thing to add our knowledge for everything. By a guide we can know

everything we would like. A book is a range of written, printed, illustrated or perhaps blank sheet. Every year had been exactly added. This reserve Rebels: My Life Behind Enemy Lines with Warlords, Fanatics and Not-so-Friendly Fire was filled with regards to science. Spend your time to add your knowledge about your scientific disciplines competence. Some people has various feel when they reading a new book. If you know how big advantage of a book, you can experience enjoy to read a guide. In the modern era like now, many ways to get book that you simply wanted.

**Clifford White:**

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library or make summary for some reserve, they are complained. Just small students that has reading's soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that examining is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Rebels: My Life Behind Enemy Lines with Warlords, Fanatics and Not-so-Friendly Fire can make you experience more interested to read.
