**The Druid Stone** By Heidi Belleau, Violetta Vane

*Sean never asked to be an O'Hara, and he didn't ask to be cursed by one either.*

After inheriting a hexed druid stone from his great-grandfather, Sean starts reliving another man's torture and death...every single night. And only one person can help.

Cormac Kelly runs a paranormal investigation business and doesn't have time to deal with misinformed tourists like Sean. But Sean has real magic in his pocket, and even though Cormac is a descendant of legendary druids, he soon finds himself out of his depth...and not because Sean's the first man he's felt anything for in a long time.

The pair develop an unexpected and intensely sexual bond, but are threatened at every turn when Sean's case attracts the unwelcome attention of the mad *sidhe* lords of ancient Ireland. When Sean and Cormac are thrust backward in time to Ireland's violent history—and their own dark pasts—they must work together to escape the curse and save their fragile relationship.
