Undone: Night ShieldNight Moves (Night Tales) By Nora Roberts

Two reader-favorite stories that show us how love can shine a light through the darkness

Night Shield

Jonah Blackhawk knows trouble when he sees it, and Ally Fletcher definitely falls into that category. The lanky blonde isn't just a cop, she's also the police commissioner's daughter, which makes her doubly off-limits. The day that she finishes her case and gets out of his life forever can't come soon enough for Jonah. But in the meantime, the memory of their passionate embrace threatens to consume him...

Night Moves

Maggie Fitzgerald has retreated from her former fast-paced life, seeking solitude to heal her broken heart. But her new landscaper, Cliff Delaney, is gruff and abrupt—and somehow irresistible. And when a body is found too close to home, shattering her peace entirely, Maggie is forced into the arms of the very man she finds so aggravating. The trouble is, Cliff is the prime suspect in the investigation. Has Maggie fallen for a good man with a rough exterior...or a coldhearted killer?
