### Editorial Review

#### From Library Journal

Bach (religious studies, Stanford Univ.), author of *Women, Seduction, and Betrayal in Biblical Narrative* (Cambridge Univ., 1997), has compiled a fascinating collection of nearly 40 essays on attitudes toward women and their status in early biblical times. Top scholars in the field—Esther Fuchs, Susan Ackerman, Howard Eilberg-Schwartz, Bach herself, and many others—analyze the lives and roles of the "wives" (Sarah, Rebekah, Leah), the "Good Girls" (Ruth, Esther, Judith), the "Bad Girls" (Eve, Delilah, Bathsheba, Jezebel), the "Sad Girls" (Lot's daughters, Dinah), the "Women Warriors" (Miriam, Deborah), the "Amazing Women" (the Medium of Endor, the Wise Women of Tekoa, the Playmate of God), and the ordinary women in extraordinary and revelatory depth. Included are extensive notes and bibliographies, though, alas, no index or author credits. Students and scholars in the fields of Hebrew studies, biblical history, and feminism will revel in the complex insights here, though general readers may have trouble. Highly recommended for special collections. —Marcia G. Welsh, Guilford Free Lib., CT

-Elisabeth Schussler Fiorenza, Harvard Divinity School

"The emergence of feminist biblical criticism is one of the most exciting and provocative developments in modern biblical scholarship, and Alice Bach is one of the leaders in the field. Her new anthology serves as both an excellent introduction and a fine survey of the state of the art. I recommend it highly to all biblical scholars, and to general readers with an interest in some of the most important biblical criticism of our time."

-Alan Cooper, Jewish Theological Seminary of America
