Editorial Review

Review

I expected this book to be an exciting read that would help me better appreciate the lives of the Israelites as they escaped from the Egyptians. This book did even more than just entertain me. It challenged me. I've read the Exodus account many times. I know that the Israelites were wandering in the desert for 40 years because of their grumbling and disbelief. I never thought through that fact, though. A Stand at Sinai made me look at the Exodus account in a completely different way. --Christi @ Through the Calm & Through the Storm

About the Author

Hope Auer has been writing stories and plays since she was very young. Through her homeschool years she developed a passion for history and storytelling which resulted in The Promised Land Series. In addition to writing, Hope loves the Lord, life, church, family and children. She teaches piano and is active in directing youth theatre. Hope also enjoys the company of her Shih Tzu, Sophie, who often sits on her lap while she writes.
