**Alice in Zombieland** By Gena Showalter

### BOOK 1 OF THE WHITE RABBIT CHRONICLES

She won't rest until she's sent every walking corpse back to its grave.

Forever.

Had anyone told Alice Bell that her entire life would change course between one heartbeat and the next, she would have laughed. But that's all it took. One heartbeat. A blink, a breath, a second, and everything she knew and loved was gone.

Her father was right. The monsters are real.

To avenge her family, Ali must learn to fight the undead. To survive, she must learn to trust the baddest of the bad boys, Cole Holland. But Cole has secrets of his own, and if Ali isn't careful, those secrets might just prove to be more dangerous than the zombies.

Don't miss **FIRSTLIFE**, book 1 of Gena Showalter's action-packed, romantic and exhilarating new series, the Everlife novels!

### Editorial Review

#### From [Booklist](#)

Alice Bell has led a sheltered life in suburban Alabama, shaped by her father's insistence that no one leave the house after dark because of the "monsters." On her sixteenth birthday, Ali insists the only present she wants is to see her beloved eight-year-old sister's evening dance recital. On the way home, their car is attacked by zombies in front of the cemetery, and Ali alone survives. Now living with her maternal grandparents, she is consumed by guilt (her dad was right after all), fear (the zombies are still out there), and confusion over her powerhouse attraction to bad boy Cole. Though bearing trademark Harlequin emphases on romance and appearance (every character is gorgeous and described in loving detail), Showalter's novel also includes ironic allusions to Lewis Carroll (a puffy white rabbit cloud always appears before a zombie attack), as well as pathos, as Ali struggles with the loss of her family. It's an odd mélange that is more successful in the first half of the book, before plot details set up the action for further titles, but when it works, it's compulsively readable. Grades 7-12. --Debbie Carton

#### Review

"Showalter has created a promising playground for future story installments." --Kirkus Reviews

"[An] action-packed paranormal story with a giddy focus on the push-and-pull attraction between Ali and Cole and the nastier side of the high school social scene. The result is a zippy story with crossover appeal that highlights the power of guilt, faith, and self-confidence." -- Publishers Weekly

"The action-oriented plot mixed with scenes of a passionate romance between Ali and Cole-and a new way to look at zombies (by fighting them in spirit form)-will be certain to delight fans of paranormal fantasy." -- VOYA

#### About the Author

Gena Showalter is the New York Times and USA TODAY bestselling author of over fifty books, including the acclaimed Lords of the Underworld and Angels of the Dark series, and the White Rabbit Chronicles.
