Criminological Theory: A Brief Introduction (4th Edition) By J. Mitchell Miller, Christopher J. Schreck, Richard Tewksbury, J.C. Barnes

This concise, up-to-date text provides student-friendly examples of all theoretical approaches that emphasize the complex relationships between 21st century social structures, cultures, and crime.

Criminological Theory: A Brief Introduction, 4e provides students and instructors with a concise, up-to-date, and thorough discussion and explication of major criminological schools of thought. The text focuses on providing students with understandings of not only what the central tenets are of criminological theories but also focuses on providing real-life examples and implications for criminal justice policy and practice. The various theories examined across the chapters are illustrated through examples drawing upon contemporary cultural developments of particular interest to college age students that increase interest and engagement.

Teaching and Learning Experience

This book offers an accessible discussion of the major theories of crime, delinquency, social deviance and social control with an objective and neutral approach. It provides:

- **Expanded coverage of theory development, assessment, and integration:** Provides thorough yet concise coverage
- **Theories grouped by type and subtype:** Gives students an appreciation of the historical development of theoretical criminology and the significance of classical statements to contemporary perspectives
- **Strong pedagogical support:** Reinforces chapter information to ensure mastery

Editorial Review

From the Back Cover

This introductory primer on criminological theory provides an accessible discussion of the major theories of crime, delinquency, social deviance, and social control with an objective and neutral approach.

The various theories are covered in a systematic fashion. After providing a straightforward explanation of each theory's fundamental assumptions and concepts, along with example narratives drawn from both real-world current events and fictitious scenarios, major criticisms are addressed. The implications of each theory for criminal and juvenile justice strategies and policy (e.g., deterrence vs. rehabilitation, crime prevention, crime prediction) are also considered.

Users Review

From reader reviews:

Jodi Harper:

Book is to be different for each and every grade. Book for children until finally adult are different content. As we know that book is very important usually. The book Criminological Theory: A Brief Introduction (4th Edition) seemed to be making you to know about other expertise and of course you can take more information. Norma Baumgarten:

Reading a book for being new life style in this calendar year; every people loves to go through a book. When you learn a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, because book has a lot of information onto it. The information that you will get depend on what sorts of book that you have read. If you wish to get information about your research, you can read education

books, but if you act like you want to entertain yourself read a fiction books, these us novel, comics, along with soon. The Criminological Theory: A Brief Introduction (4th Edition) provide you with new experience in looking at a book.

Antonio Sisson:

As a pupil exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just small students that has reading's heart or real their hobby. They just do what the professor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Criminological Theory: A Brief Introduction (4th Edition) can make you experience more interested to read.
