Fang: A Maximum Ride Novel (Book 6) By James Patterson

Angel says that Fang will be the first to die, and Angel is never wrong. Maximum Ride is used to living desperately on the run from evil forces sabotaging her quest to save the world--but nothing has ever come as close to destroying her as this horrifying prophetic message. Fang is Max's best friend, her soul mate, her partner in the leadership of her flock of winged children. A life without Fang is a life unimaginable.

When a newly created winged boy, the magnificent Dylan, is introduced into the flock, their world is upended yet again. Raised in a lab like the others, Dylan exists for only one reason: *he was designed to be Max's perfect other half*. Thus unfolds a battle of perfection versus passion that terrifies, twists, and turns . . . and meanwhile, *the apocalypse is coming*.

Editorial Review

From School Library Journal

Gr 6-9—Patterson has created another thrilling adventure that is sure to capture readers' imaginations. Max is the leader of a group known as the Flock, and the story revolves around her struggles and emotional dilemmas. These winged mutants are set upon by an evil scientist who wants to use their special talents to suit his own ends. However, that is just one of Max's problems. After a dire prediction by Angel, she is terrified that Fang will die. He is the love of Max's life, and she can not bear the thought of losing him. The author's strong writing style will draw readers into the situations that arise as Max tries to protect the Flock from peril while attempting to avoid Fang's impending doom. The love triangle between Max, Fang, and another winged mutant is also well developed and creates tension throughout. The story line moves readers from the dry, sweltering heat of Africa to the bright lights of Hollywood as Max tries to maintain unity in the Flock and shelter them from danger. The action builds throughout, and there are enough plot twists and surprises to keep readers guessing about what will happen next as the young Flock is eventually snared in the villain's web. Patterson's quick-paced tale of adventure, betrayal, and redemption is full of vibrant and memorable characters. It truly has bite.—Greg Stone, Oak Mountain Middle School, Birmingham, AL
