Darius Jones is living the good life. He's got a chance to become the league's most valuable player, he's crazy in love with his wife, and his relationship with his mom has never been better.

But Darius also has a stalker who's determined to be the number one woman in his life. And no matter where he goes, she's there. . .scheming to kill his wife, Fancy; charming his manager and mother, Jada; manipulating his son's mother, Ashlee; and worst of all, dragging new mother Honey Thomas into the mix with one of the most heartless schemes ever. With his life quickly unraveling, Darius must gamble all he's worked for to save his wife, reclaim his son, and stop a madwoman from ruining the lives of everyone around him. . . .

## Never Again Once More

In *Soul Mates Dissipate*, her phenomenal *Essence*® and Blackboard bestseller, Mary B. Morrison left readers cheering with her tell-it-like-it-is-and-then-some story of Jada and Wellington, two lovers whose connection is tested, but never broken. Now, in this eagerly awaited sequel, Jada and Wellington find themselves facing new conflicts that will challenge the decisions they made years ago.

Do we choose love, or does love choose us? That's the question Jada Diamond Tanner can't seem to stop asking herself after ten years of marriage. She thought she'd chosen the right man in Lawrence Anderson, her steady, reliable husband and the man who helped raise her son Darius. But did she choose the right life when she turned her back on Wellington Jones, the soulmate whose fiery kisses took her body and spirit to a higher level than she ever dreamed possible?

For twenty years, Jada has struggled to keep her distance from Wellington, and he's paid her in respect. But now, the cracks in Jada's carefully constructed life are beginning to show. Darius is a young man out of touch and in trouble. When his destructive behavior threatens to destroy him, Jada reluctantly lets Wellington take more control and be the father Darius needs.

With each day back in Wellington's company, Jada begins to question the choices she has made in her life--choices made out of fear, out of foolish pride, out of denial. Slowly, she begins to realize that she still has one choice left: to get true to herself. Armed with the courage and the fire she's been missing for years, Jada's out to seize the opportunity she thought she had lost--and this time, she'll say, "never again once more."

### **Soulmates Dissipate**

Bringing the soulful, sexy, and totally uncensored voice of black women to readers everywhere, Mary B. Morrison is blazing a new trail in African American erotic fiction that has made her one of the most exciting, and most popular, authors writing today.

Exquisite ebony-skinned fashion photographer Jada Diamond Tanner may have her pick of fine men, but no one has captured her heart like gorgeous financial advisor Wellington Jones. From the moment of their first embrace, Jada is sure he is the soul mate she has waited for.

But while the love she shares with Wellington is exhilarating, Jada finds herself facing challenges she never could have imagined--from Melanie Thompson, bright, beautiful, and talented, but hungry for the love she has never had. . .and from Cynthia Jones, Wellington's overbearing socialite mother, who believes Jada will never fit into her circle of aristocratic friends.

Forced to make difficult choices, Jada will soon learn some painful lessons about love, trust, and commitment. But she will also discover deep emotional strengths in herself, along with the courage to celebrate the joy each day can bring--with or without the man she loves.
