Editorial Review

From the Back Cover

Distilling the most critical information from the leading text in pediatric emergency medicine, this concise, yet comprehensive review is the perfect tool to prepare for in-service or licensing exams, for re-certification, or for use as a clinical refresher. Its highly efficient format conveniently condenses and simplifies only the most important content, for maximum yield and comprehension.

What's more, over 600 board-type questions enable you to assess your understanding of the content.

FEATURES:

- *Standardized, bulleted format emphasizes key points of epidemiology, pathophysiology, clinical features, diagnosis and differential, and treatment
- *Highlights and summarizes key concepts, to assure quick absorption of the material and reinforce your understanding of even the most difficult topics
- *Includes over 600 board-type questions with fully explained answers, referenced to Strange et al.: *PEDIATRIC EMERGENCY MEDICINE, 2/E*
- *Chapters are logically organized to help focus your study and provide quick access to specific subjects, including:
 - *Resuscitation
 - *Trauma Care
 - *Respiratory Emergencies
 - *Cardiovascular Emergencies
 - *Neurologic Emergencies
 - *Infectious Disease Emergencies
 - *Gastrointestinal Emergencies
 - *Endocrine and Metabolic Emergencies
 - *Genitourinary Emergencies
 - *Dermatologic Emergencies
 - *Oral, Ear, Nose, and Throat Emergencies
 - *Eye Emergencies
 - *Gynecologic and Obstetric Emergencies
 - *Hematologic Emergencies
 - *Oncologic Emergencies
 - *Nontraumatic Bone and Joint Disorders
 - *Toxicologic Emergencies
 - *Environmental Emergencies
 - *Psychosocial Emergencies
 - *Emergency Medical Services
 - *Ethical and Legal Issues
 - *Much more

Users Review

From reader reviews:

Archie Moriarty:

Why don't make it to be your habit? Right now, try to prepare your time to do the important work, like looking for your favorite book and reading a guide. Beside you can solve your condition; you can add your knowledge by the publication entitled Pediatric Emergency Medicine: Just the Facts. Try to stumble through book Pediatric Emergency Medicine: Just the Facts as your close friend. It means that it can to be your friend when you feel alone and beside regarding course make you smarter than before. Yeah, it is very fortuned to suit your needs. The book makes you much more confidence because you can know almost everything by the book. So , let me make new experience in addition to knowledge with this book.

Frances Carpenter:

Book is to be different for each and every grade. Book for children right up until adult are different content. As it is known to us that book is very important for us. The book Pediatric Emergency Medicine: Just the Facts has been making you to know about other knowledge and of course you can take more information. It is extremely advantages for you. The guide Pediatric Emergency Medicine: Just the Facts is not only giving you much more new information but also for being your friend when you feel bored. You can spend your personal spend time to read your reserve. Try to make relationship with the book Pediatric Emergency Medicine: Just the Facts. You never really feel lose out for everything should you read some books.

Suzanne Cicero:

Information is provisions for those to get better life, information today can get by anyone with everywhere. The information can be a know-how or any news even a huge concern. What people must be consider while those information which is inside the former life are challenging be find than now could be taking seriously which one works to believe or which one typically the resource are convinced. If you obtain the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take Pediatric Emergency Medicine: Just the Facts as your daily resource information.

Alicia Cain:

This Pediatric Emergency Medicine: Just the Facts is great reserve for you because the content which is full of information for you who all always deal with world and also have to make decision every minute. That book reveal it details accurately using great plan word or we can state no rambling sentences inside. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only provides you with

straight forward sentences but challenging core information with beautiful delivering sentences. Having Pediatric Emergency Medicine: Just the Facts in your hand like getting the world in your arm, details in it is not ridiculous just one. We can say that no guide that offer you world within ten or fifteen minute right but this e-book already do that. So , this is good reading book. Heya Mr. and Mrs. stressful do you still doubt which?
