## **Editorial Review**

### **Amazon.com Review**

Don't read this fabulous book in public unless you're prepared to weep in front of strangers. Amelia Carson is a mail-order bride. She has come to Texas to marry Dallas, the ranch owner she has corresponded with for a year. But a broken leg (and fate) requires Dallas to send his brother, Houston, to meet Amelia in his place. Physically and emotionally scarred by the war, Houston doesn't believe he will ever find love. When he falls in love with his brother's betrothed, he never expects her to return his feelings. Together they discover that without honor, love is meaningless.

### **From Library Journal**

Mail-order bride Amelia Carson expects her future husband, Dallas Leigh, to meet her when she gets off the train in Fort Worth. However, a broken leg prevents him from traveling, so the job of escorting her falls to his brother, Houston. Women are scarce, but Houston, who had lost an eye and was badly scarred during the Civil War, should pose no romantic threat. Soon Houston realizes that he can't watch his brother marry the woman he has come to love. The author writes directly and movingly about the shattering effect the Civil War has on three of its survivors. With its superb levels of characterization and poignantly satisfying plot, this is a book readers will treasure. Heath (Always To Remember, Jove, 1996, a 1997 Rita nominee for Short Historical) lives in Plano, Texas.
