The Most Dangerous Book in the World: 9/11 as Mass Ritual By S. K. Bain

In this shocking exposé, investigative researcher and author S. K. Bain explores the inconsistencies, coincidences, and historical precedents of the events of September 11, 2001, and reconstructs an occult-driven script for a Global Luciferian MegaRitual. Bain argues forcefully that the framework for the entire event was a psychological warfare campaign built upon a deadly foundation of black magick and high technology. The book details a view of the sinister nature of the defining event of the 21st century and opens a window into the vast scope of the machinery of oppression that the author asserts has been constructed around us.
