Unequal Europe: Social Divisions in an Old Continent (Routledge Advances in European Politics) By James Wickham

This wide-ranging and comparative text reviews the major theoretical and substantive debates on social inequality in Europe. It provides a valuable dual focus on European society and individual societies while placing Europe in its wider global context.

Demonstrating the continued importance of national difference within Europe, the author argues that nonetheless the European Social Model has softened social inequalities such as those of wealth and income distribution, social class, gender and possibly even ethnicity. However these achievements are now being undermined, partially by the European Union itself. The book also challenges conventional wisdom on Europe's alleged need for immigration and highlights the UK's distinctiveness within Europe, explaining the country's uneasy relation to the European project.

This book will be of great interest to students and scholars of Politics, European Societies, Social Policy and Comparative Studies.

Editorial Review

Review

'In November 1993, 28 countries, now containing over five hundred million people, joined to form the European Union (EU). People, goods, and money then moved freely within the EU. In 2002, a common currency, the euro, was introduced. Wickham, of the Dublin think tank Tasc, focuses on two issues: inequality within and between the 28 member nations, and the degree to which individuals in each nation feel that they are part of the larger EU. **Summing Up: Recommended.**' -D. Harper, *University of Rochester, in CHOICE*

About the Author

James Wickham leads the Working Conditions in Ireland project at the Dublin think tank Tasc. He was also Jean Monnet Professor of European Labour Market Studies and Professor in Sociology at Trinity College Dublin, Ireland.

Users Review

From reader reviews:

Lorraine Woodward:

What do you regarding book? It is not important to you? Or just adding material when you really need something to explain what the one you have problem? How about your time? Or are you busy person? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Everybody has many questions above. The doctor has to answer that question because just their can do that. It said that about e-book. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this kind of *Unequal Europe: Social Divisions in an Old Continent* (Routledge Advances in European Politics) to read.

Domingo Adams:

The reason why? Because this *Unequal Europe: Social Divisions in an Old Continent* (Routledge Advances in European Politics) is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will surprise you with the secret the idea inside. Reading this book close to it was fantastic author who else write the book in such incredible way makes the content inside easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this any more or you going to regret it. This unique book will give you a lot of gains than the other book have such as help improving your talent and your critical thinking method. So , still want to hold off having that book? If I had been you I will go to the guide store hurriedly.

Laura Ide:

As we know that book is important thing to add our information for everything. By a e-book we can know everything we would like. A book is a set of written, printed, illustrated as well as blank sheet. Every year seemed to be exactly added. This reserve *Unequal Europe: Social Divisions in an Old Continent* (Routledge Advances in European Politics) was filled in relation to science. Spend your time to add your knowledge about your scientific disciplines competence. Some people has distinct feel when they reading a book. If you know how big advantage of a book, you can experience enjoy to read a publication. In the modern era like at this point, many ways to get book which you wanted.

Cheryl Lopez:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's internal or real their passion. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this *Unequal Europe: Social Divisions in an Old Continent* (Routledge Advances in European Politics) can make you sense more interested to read.
