**Britain and Indian Nationalism: The Imprint of Ambiguity 1929-1942** By D. A. Low

On the eve of the fiftieth anniversary of Indian independence Anthony Low examines anew the distinctive character of perhaps the most momentous struggle of the twentieth century. He shows how the struggle was conditioned by the ambiguity of the British position, determined to hold fast to their Indian empire yet reluctant to offer unyielding resistance to their nationalist opponents. Britain and Indian Nationalism makes a major contribution to the historiography of modern India, to Britain's relations with its empire, and to the history of decolonization in the twentieth century.

## **Editorial Review**

### **Review**

"Author and editor of more than 15 books on British Empire and Commonwealth history, Low has produced a number of works in which his analysis of India is contextualized by his mastery of Asian, and especially African, history....this valuable work encapsulates Low's thinking and research on the topic." Choice

"Low has written a meticulously researched and tightly reasoned book analyzing the defining thirteen years of what is often called the Indian struggle for freedom." Journal of Interdisciplinary History

"...represents fresh archival investigation, and the list of these archives is as long as your arm. No question but that this is a very scholarly piece of work. I can only hope that in time it will be on the shelves of all those with a serious interest in Western colonial experience generally, in Britain's Indian experience particularly..." Peter Ward Fay, The Journal of Asian Studies

"Britain and Indian Nationalism is a thoughtful and judicious study, and will figure prominently in discussions about the end of Britain's Raj." Douglas M. Peers, Journal of Asian History

"...this is an engaging series of essays on the encounters between Britain and the Indian nationalists--one that will be of great interest and value to students in this area." Sankaran Krishna, Journal of Asian & African Studies

"Low's study in its finer nuances brings us a step closer to fathoming the depths of British colonial ambition in India." Sudipta Sen, Journal of Modern History

## **Users Review**

### **From reader reviews:**

#### **Elizabeth Ashton:**
