Embracing the Love of God: The Path and Promise of Christian Life By Zondervan

In today's world, many people fail to experience the powerful freedom and healing of God's grace. Even Christians too often experience judgment rather than the love that is the vital essence of Christian life. This visionary guide calls believers back to the basics: understanding the promise of God's love to transform our most important relationships and fulfill our deepest spiritual needs. The moving insights found within illuminate the gentle nature of God's love and teach readers how to continue on the path of love by embracing it day by day.

Editorial Review

From the Publisher

A visionary guide that calls Christians back to the basics, and to understanding the promise of God's love to transform our most important relationships.

From the Inside Flap

"By loving us, God makes us lovable."--St. Augustine

Unfortunately, in today's world many people fail to experience the freedom and healing power of God's grace. Even Christians too often experience judgement, rather than the love that is a vital essence of Christian life. A visionary guide in the spirit of *Celebration of Discipline*, *Embracing the Love of God* calls Christians back to the basics--to understanding the promise of God's love to transform our most important relationships and fulfill our deepest spiritual needs.

Here James Bryan Smith launches readers on a revitalizing spiritual journey. He distills the basic principles of Christian love and provides a new model for relationship with God, self, and others that is based not on fear and judgement, but rather on acceptance and care. Smith's moving insights illuminate the gentle nature of God's love and teach readers how to continue on the path of love by embracing it day by day. For both new Christians and those desiring renewal, *Embracing the Love of God* offers hope, peace, and guidance for spiritual growth.

"The most wonderful thing that can happen to any human being is to be loved. It alone speaks to the gnawing sense of insignificance and isolation we feel. And the marvelous news is that we have been loved and we are loved, each and every one of us. Uniquely and individually. At the heart of the Universe is love, divine love, personal, intimate God-love for you and for me...Once experienced at the deepest levels of the soul, no reality can be more profoundly disturbing, more radically healing, more utterly transforming." --from the foreword by Richard J. Foster.

Users Review

From reader reviews:

Michael Chapman:

As people who live in often the modest era should be update about what going on or information even knowledge to make these individuals keep up with the era that is certainly always change and make progress. Some of you maybe will update themselves by reading books. It is a good choice for yourself but the problems coming to a person is you don't know which one you should start with. This Embracing the Love of God: The Path and Promise of Christian Life is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

Edith Macklin:

Information is provisions for people to get better life, information today can get by anyone from everywhere. The information can be a knowledge or any news even an issue. What people must be consider when those information which is from the former life are challenging be find than now could be taking seriously which one would work to believe or which one typically the resource are convinced. If you find the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Embracing the Love of God: The Path and Promise of Christian Life as the daily resource information.

Ira Atwood:

Reading a book being new life style in this calendar year; every people loves to learn a book. When you read a book you can get a wide range of benefit. When you read publications, you can improve your knowledge, mainly because book has a lot of information onto it. The information that you will get depend on what forms of book that you have read. If you wish to get information about your research, you can read education books, but if you want to entertain yourself look for a fiction books, this sort of us novel, comics, along with soon. The Embracing the Love of God: The Path and Promise of Christian Life offer you a new experience in examining a book.

Lisa Yang:

Is it you who having spare time and then spend it whole day by means of watching television programs or just lying down on the bed? Do you need something totally new? This Embracing the Love of God: The Path and Promise of Christian Life can be the response, oh how comes? The new book you know. You are so out of date, spending your time by reading in this new era is common not a geek activity. So what these textbooks have than the others?
