God: A Guide for the Perplexed By Keith Ward

In God: A Guide for the Perplexed, bestselling author Keith Ward has crafted a unique, perceptive, witty, and informative introduction to the mysteries of the divine.

From the essential truths presented in ancient Greek mythology via the stories about Olympian gods, through the key ideas of major philosophers such as Nietzsche and Marx, to the surprise insights offered by such diverse elements of our experience as Romantic poetry and the film 'Alien', Ward draws on everything that has either directly or remotely influenced our knowledge of a higher force. His book therefore provides not only a multi-disciplinary and comprehensive account of the different manifestations of God, but, most importantly, offers a humorous and engaging encounter with both humanity's belief in God and our exploration of that belief. Mixing the eclectic with the sublime, this illustrated and profound volume will be a compulsive page-turner for anyone interested in the real core of the philosophical and spiritual quest for meaning.

Editorial Review

Amazon.com Review

Keith Ward is an eminent Oxford theologian, and such a title might make many ordinary people run for cover. Don't run. *God: A Guide for the Perplexed* is a wonderful book. Ward is a philosopher as well as a theologian and he succeeds in presenting the sweep of mankind's religious and philosophical thought with style, reverence, and a wry humour. He is to be congratulated in producing a book that avoids churchy clap trap, academic jargon, religious cliché, and mushy spirituality. He writes in a crisp, entertaining way that is never flippant and he wears his immense learning lightly, sharing a genuine enthusiasm for his subject with a clear desire to communicate with ordinary people. In seven chapters Ward takes us through the history of mankind's religious thought. He shows how philosophical questions have always been linked with religious questions, and how religion has never been merely a set of rules or doctrines, but a quest for meaning and a search for the blazing darkness that is God. In other words, Ward has written a feast for the mind and the heart. While the academic ground is covered lightly, the mystical, poetic, and mysterious side of religion is also given due weight. If you can only buy one book which explains the heart and mind of mankind's spiritual quest, buy this book. --Dwight Longenecker, *Amazon.co.uk*

From Library Journal

"Believing in God," states Oxford divinity professor Ward, "is just a bit more complicated than you might think." For a quarter century, Ward (*God, Chance and Necessity*) has been a reliable guide to spirituality and religion. Here he provides a whirlwind tour of how God has been conceived in Western thought, beginning with Homer and Descartes and progressing through thinkers like Schopenhauer, Nietzsche, and Kant and poets like Blake and Wordsworth. Along the way, he discusses the prophets, the Ten Commandments, the idea of evil, and more. What makes this work Ward's own is his leitmotif: a belief that the trouble with much of the popular understanding of God is that it is too literal. To help us go beyond such popular conceptions, Ward, with humor and skill, deftly and accurately guides us through the ages of reflection on what can and cannot be known about God. The danger of such an approach is that it will leave readers with caricatures of the great thinkers' positions. The value is that readers will become intrigued and will go directly to the sources listed in Ward's "Find Out More..." bibliographies at the end of each chapter. In the end, this book inspires considerable thought and thus belongs in every library. Steve Young, McHenry Cty. Coll. Lib., Crystal Lake, IL

From *Booklist*

Any book that can help readers discover "why nineteenth century Germans became more and more depressed," tell them something useful about flavors in Oxford ice cream parlors, quote Marx in context, and deliver a meaningful introduction to a long philosophical conversation about God in an engaging narrative is well worth reading. Ward covers a remarkable range of material, from the *Iliad* to Wittgenstein, contemporary compatibilism, and process thought, and he does it with elegance and surprising simplicity--qualities that open this material to readers who otherwise would find it entirely inaccessible. This is an excellent introduction to the philosophy of religion, suitable for students inside and outside of the academy.

Users Review

From reader reviews:

Alma Young:

Why don't make it to become your habit? Right now, try to prepare your time to do the important work, like looking for your favorite publication and reading a reserve. Beside you can solve your long lasting problem; you can add your knowledge by the e-book entitled God: A Guide for the Perplexed. Try to the actual book God: A Guide for the Perplexed as your pal. It means that it can to be your friend when you sense alone and beside that of course make you smarter than in the past. Yeah, it is very fortuned for yourself. The book makes you much more confidence because you can know every little thing by the book. So , we should make new experience and knowledge with this book.

Mindy Munson:

Book is definitely written, printed, or outlined for everything. You can learn everything you want by a e-book. Book has a different type. We all know that that book is important thing to bring us around the world. Beside that you can your reading expertise was fluently. A publication God: A Guide for the Perplexed will make you to always be smarter. You can feel far more confidence if you can know about everything. But some of you think that open or reading a book make you bored. It's not make you fun. Why they could be thought like that? Have you looking for best book or acceptable book with you?

Laurie Dunn:

This God: A Guide for the Perplexed is great reserve for you because the content that is certainly full of information for you who else always deal with world and also have to make decision every minute. This specific book reveal it data accurately using great coordinate word or we can state no rambling sentences inside it. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with attractive delivering sentences. Having God: A Guide for the Perplexed in your hand like keeping the world in your arm, information in it is not ridiculous 1. We can say that no publication that offer you world with ten or fifteen moment right but this guide already do that. So , this can be good reading book. Hi Mr. and Mrs. hectic do you still doubt this?

Jennifer Lorenzo:

This God: A Guide for the Perplexed is completely new way for you who has intense curiosity to look for some information mainly because it relief your hunger of knowledge. Getting deeper you upon it getting knowledge more you know or you who still having little bit of digest in reading this God: A Guide for the Perplexed can be the light food for you personally because the information inside this specific book is easy to get simply by anyone. These books create itself in the form that is reachable by anyone, that's why I mean in the e-book type. People who think that in guide form make them feel sleepy even dizzy this reserve is the answer. So you cannot find any in reading a book especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss this! Just read this e-book kind for your better life along with knowledge.
