Teacher's Dead By Benjamin Zephaniah

A teacher is dead, murdered by two of his students in front of the school. He was a good man. People liked him. So how could this happen? Why? It just doesn't make sense to Jackson, and he is determined to investigate the case until he understands. Benjamin Zephaniah has, once again, chosen a topical and hard-hitting subject - and he deals with it in his own uniquely empathetic and edgy way.

Editorial Review

About the Author

Benjamin Zephaniah is probably one of the most high-profile international authors writing today, with an enormous breadth of appeal, equally popular with both adults and children. Most well known for his performance poetry with a political edge for adults and ground-breaking performance poetry for children, Benjamin also has his own rap/reggae band, and has appeared on desert Island Discs. He is in constant demand internationally to perform his work: he is (he thinks) Nelson Mandela's favourite poet, and is the only Rastafarian poet to be short-listed for the Chairs of Poetry for both Oxford and Cambridge University. His previous novels for Bloomsbury are Face, Refugee Boy and Gangsta Rap. He has also edited an anthology of poems, The Bloomsbury Book of Love Poems.

Users Review

From reader reviews:

Timothy Parker:
