## The Book of Indian Butterflies By Isaac Kehimkar

*The Book of Indian Butterflies* describes 734 species of butterflies that commonly occur in the Indian subcontinent. Most descriptions are illustrated with color images of specimens from the Bombay Natural History Society's collection as well as with color photographs of butterflies from across the country in their natural habitats. The book also includes color photographs showing the life history of different butterfly groups and their adaptation techniques.

Besides highlighting the rich biodiversity of India's butterfly fauna, this book is a highly enjoyable guide for nature lovers. Isaac Kehimkar discusses the biology and identification of butterflies, as well as butterfly watching, photography, and rearing. Written by an expert in the field, *The Book of Indian Butterflies* is a comprehensive and updated guide to India's butterflies.
