Editorial Review

Review

"I loved teaching with previous versions of *The Essentials of Technical Communication*. The new edition promises to be even better, because it provides important and relevant updates to content, examples, and case studies."--Kara Poe Alexander, *Baylor University*

"This textbook is one of the best concise treatments of technical communication available."--Dan Jones, *University of Central Florida*

"This text includes everything that I see as essential in a technical writing book. It's small in size but comprehensive in scope, concise but with sufficient details and examples."--Peter Dorman, *Central Virginia Community College*
