While the Nestle-Aland Novum Testamentum Graece is designed for scholarly research, the Greek New Testament, 4th Revised Edition is designed for translators and students. Like NA27, this is the leading edition of the original text of the New Testament. It contains the same Greek text as NA27, differing only in some details of punctuation and paragraphing. The format of UBS4 is in several respects more user-friendly for students and translators than NA27. It has a more spacious appearance and a larger font. English sub-headings assist in navigating the text for those who may be less familiar with Greek. Old Testament quotations appear in easily recognizable bold font. Synoptic parallels are clearly listed under English headings. Hendrickson Publishers distributing for German Bible Society --This text refers to an out of print or unavailable edition of this title.
