

## The SAGE Handbook of Punishment and Society

From Brand: SAGE Publications Ltd

**The SAGE Handbook of Punishment and Society** From Brand: SAGE Publications Ltd

**The SAGE Handbook of Punishment and Society** draws together this disparate and expansive field of punishment and society into one compelling new volume. Headed by two of the leading scholars in the field, Jonathan Simon and Richard Sparks have crafted a comprehensive and definitive resource that illuminates some of the key themes in this complex area – from historical and prospective issues to penal trends and related contributions through theory, literature and philosophy. Incorporating a stellar and international line-up of contributors the book addresses issues such as: capital punishment, the civilizing process, gender, diversity, inequality, power, human rights and neoliberalism.

## **Editorial Review**

### **Review**

'Three virtues set this collection apart from the usual handbook enterprise. The first is the broad range of topics and settings covered by the volume. The second is the international all-star cast of authors who contribute substantial essays. The third is the concluding section of the handbook that pushes beyond the conventional boundaries of penality in important and interesting ways. Simon and Sparks have assembled an indispensable tool for serious study of punishment and society' (Franklin E. Zimring 2013-07-15)

'Simon and Sparks have brought together an eclectic array of notable scholars to explore the role of punishment in society. With a central concern on the prison as an institution of power and social control, the Handbook urges us to regard punishment, not as a correctional endeavour targeting deviant individuals, but in terms of its effects on the broader population and on governance. The Editors - who have themselves done much to shape the field - have succeeded in producing a volume written in a clear, erudite, yet pacey style throughout. The SAGE Handbook of Punishment and Society is hugely impressive in its range and sophistication and is a very welcome addition to the field' (Yvonne Jewkes 2013-07-15)

'This is [an] engaging, well written book which will be useful to academics, policy makers, practitioners and those with a general interest in punishment and society. I don't think that it is an exaggeration to describe it as a 'bible' of punishment and society in that it collates and analyses past and present research, but also looks towards the future. In short, and in answering the initial necessity question, is this handbook needed, the answer is resoundingly yes'

(Dr Karen Harrison 2013-07-15)

## **Users Review**

### **From reader reviews:**

#### **Hans Diaz:**

Why don't make it to be your habit? Right now, try to ready your time to do the important action, like looking for your favorite guide and reading a book.
