### 1876: A Novel By Gore Vidal

Gore Vidal's Narratives of Empire series spans the history of the United States from the Revolution to the post-World War II years. With their broad canvas and large cast of fictional and historical characters, the novels in this series present a panorama of the American political and imperial experience as interpreted by one of its most worldly, knowing, and ironic observers.

The centennial of the United States was celebrated with great fanfare--fireworks, exhibitions, pious calls to patriotism, and perhaps the most underhanded political machination in the country's history: the theft of the presidency from Samuel Tilden in favor of Rutherford B. Hayes. This was the Gilded Age, when robber barons held the purse strings of the nation, and the party in power was determined to stay in power. Gore Vidal's **1876** gives us the news of the day through the eyes of Charlie Schuyler, who has returned from exile to regain a lost fortune and arrange a marriage into New York society for his widowed daughter. And although Tammany Hall has faltered and Boss Tweed has fled, the effects of corruption reach deep, even into Schuyler's own family.

### Editorial Review

#### Amazon.com Review

The more things change, the more they stay the same: "The last few days would have brought down any parliamentary government. As it is, the Grant Administration is a shambles, and there is even talk that the President may resign."

Charles Schuyler, the narrator of *Burr*, returns to the United States after an absence of nearly 40 years, with his widowed daughter, Emma, in tow. While they try to find a suitably rich husband for Emma among the New York social set, Charles concentrates on the scandals in Washington--including accusations of corruption and obstruction of justice against Ulysses S. Grant--and the presidential race between Rutherford B. Hayes and Democrat Samuel Tilden (Tilden apparently, in fact, *won* the election, only to have it taken away because of electoral fraud). Cameo appearances by Chester A. Arthur, Mark Twain, Charles Nordhoff, and others enliven the proceedings. --Ron Hogan

#### Review

"Suspenseful and extravagantly decorated. . . . If you think politics are dirty now, you should have witnessed the goings-on a hundred years ago. . . . Impossible to resist." --Cosmopolitan

"Vidal writes so well that you find yourself holding your breath over something that is a foregone conclusion. . . . Vidal's talent makes the bloated characters of Washington live in a way history books don't." --The Boston Globe

#### From the Inside Flap

Gore Vidal's Narratives of Empire series spans the history of the United States from the Revolution to the post-World War II years. With their broad canvas and large cast of fictional and historical characters, the novels in this series present a panorama of the American political and imperial experience as interpreted by one of its most worldly, knowing, and ironic observers.

The centennial of the United States was celebrated with great fanfare--fireworks, exhibitions, pious calls to patriotism, and perhaps the most underhanded political machination in the country's history: the theft of the presidency from Samuel Tilden in favor of Rutherford B. Hayes. This was the Gilded Age, when robber barons held the purse strings of the nation, and the party in power was determined to stay in power. Gore Vidal's 1876 gives us the news of the day through the eyes of Charlie Schuyler, who has returned from exile to regain a lost fortune and arrange a marriage into New York society for his widowed daughter. And although Tammany Hall has faltered and Boss Tweed has fled, the effects of corruption reach deep, even into Schuyler's own family.

#### From reader reviews:

##### Luisa Johnson:

Information is provisions for people to get better life, information nowadays can get by anyone on everywhere. The information can be a know-how or any news even an issue. What people must be consider if those information which is from the former life are hard to be find than now could be taking seriously which one is acceptable to believe or which one the resource are convinced. If you obtain the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All of those

possibilities will not happen within you if you take 1876: A Novel as your daily resource information.

**Maureen Jones:**

Reading a reserve can be one of a lot of action that everyone in the world loves. Do you like reading book consequently. There are a lot of reasons why people like it. First reading a book will give you a lot of new facts. When you read a e-book you will get new information mainly because book is one of numerous ways to share the information as well as their idea. Second, reading through a book will make you actually more imaginative. When you looking at a book especially fiction book the author will bring you to imagine the story how the people do it anything. Third, it is possible to share your knowledge to some others. When you read this 1876: A Novel, you can tells your family, friends in addition to soon about yours book. Your knowledge can inspire different ones, make them reading a publication.

**Cindy Martin:**

You are able to spend your free time to study this book this publication. This 1876: A Novel is simple to develop you can read it in the park, in the beach, train in addition to soon. If you did not include much space to bring the actual printed book, you can buy the e-book. It is make you easier to read it. You can save the actual book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.

**Keith Vanwagoner:**

Many people spending their time period by playing outside using friends, fun activity together with family or just watching TV all day long. You can have new activity to enjoy your whole day by reading a book. Ugh, ya think reading a book can really hard because you have to take the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Cell phone. Like 1876: A Novel which is having the e-book version. So , why not try out this book? Let's observe.
