**Demon King, The (Seven Realms Book 1)** By Cinda Williams Chima

Times are hard in the mountain city of Fellsmarch. Reformed thief Han Alister will do almost anything to eke out a living for himself, his mother, and his sister Mari. Ironically, the only thing of value he has is something he can't sell. For as long as Han can remember, he's worn thick silver cuffs engraved with runes. They're clearly magicked—as he grows, they grow, and he's never been able to get them off. The thrilling debut in a new high fantasy trilogy, from New York Times bestselling author, Cinda Williams Chima (*The Dragon Heir*).

## **Editorial Review**

From School Library Journal

Grade 7 Up—Han Alister was once a street thief and gang leader, nicknamed Cuffs for the magical silver cuffs he's worn for as long as he can remember. Now that he's reformed, he can't seem to escape from his past, and he spends much of his time hunting in the mountains with his clan friends. When he and his friend Fire Dancer meet a group of young wizards, Han comes into possession of a magical amulet linked to the legendary Demon King, not knowing that it will bring danger to him and his family. Meanwhile, Princess Raisa is soon to turn 16 and be named heir to her mother's throne. She becomes aware of intrigues that surround the queen, who seems to be strongly influenced by their country's High Wizard. Han's and Raisa's adventures and journeys toward understanding themselves run parallel throughout the book, intersecting only when the princess dresses up as a commoner and meets Han briefly. The conclusion leaves both Raisa and Han setting out on new adventures toward a common destination, leaving much to be resolved in their futures and in the future of their land. Chima shows a sure hand with details and history, and readers will be drawn into the lives of the two protagonists. Fans of magic, danger, and high fantasy will find a complex and involving world and be left waiting for the next volume in this exciting trilogy.—*Beth L. Meister, Milwaukee Jewish Day School, WI*

## **Review**

Praise for *The Demon King*: 'The Demon King is a page-turner for any reader, regardless of age.' Robin Hobb 'Dozens of characters, complex and distinct in personality, are placed with jewel-like precision, set off by dark glints of villainy... [readers] will clamor for the sequel.' Publishers Weekly Praise for Cinda Williams Chima: For *The Dragon Heir*: Centuries of wizardly scheming, slavery and slaughter reap apocalyptic fallout in this final volume of Chima's trilogy... Heroes and villains alike are swayed by achingly human motivations into disastrous choices with devastating consequences...The resolution is-like the end of childhood itself-tentatively hopeful, if not triumphant. A superlative accomplishment. Kirkus.

## **About the Author**

Cinda Williams Chima made her debut as a young adult author with the *Warrior Heir*. Cinda is a graduate of the University of Akron, where she now teaches. A freelance writer, she has published more than one hundred reviews, feature articles, and essays in local and national media.
